## CHRONOLOGICAL BIBLE READING GUIDE 2011 - 2012

This is a guide for reading the entire Bible in a single year. The daily references are given chronologically, to tell the story of the Bible in the order in which the events actually happened.

In ordering our activities by the Christian Year, we begin the readings at the start of Advent rather than on January 1.

✠ THE CHURCH YEAR

• This schedule is built on the Church Year and organized by week. The different colors mark the seasons and special days of the Church Year. From the anticipation of Christ's coming during Advent to the celebration of the Reign of Christ the King, the Church Year focuses on the life and work of Christ. As you read his story throughout the year, the Church Year invites you to live his story as well.

• Visit [www.tumi.org](http://www.tumi.org) and [www.tumi.org/store](http://www.tumi.org/store) for more information and resources on the Church Year.
